PREMIER INDUSTRIAL CONTROLS

Product Information Sheet

TIG Welding Foot Control with Chrome Case (for Miller® Welders)

The C800 TIG welding foot controls are industrial workhorses with high-performance characteristics. The "-C" models feature a high-quality polished chrome case and are available in your choice of blue or black top tread pad. Designed for the pro, these rugged and dependable controls provide precision arc control and have a patented design that helps improve low-current welding.

The design features a durable 16-gauge steel case, oversized top traction area, non-slip 3M® traction pads, comfortable at-rest and operating foot positions, and heavy-duty cable. Simply press the pedal to activate the gas contactor and increase current; release the pedal to turn off the weld output and activate the afterflow cycle. Includes 25-foot cable and 14-pin plug.

- Designed and manufactured under a quality system certified to ISO 9001 requirements.
- Replaces any 14-pin Miller® foot control (RFCS-14, RFCS-14HD, or Hobart® 043554-01-1).
- Patented design (US patent #5,535,642) is tested to one million lifecycles.
- 1-year warranty on parts and labor.
- Made in USA.

Dimensions, L x W x H, in. (cm.):
8.8 x 5.5 x 4.1 (22.4 x 14.0 x 10.2)

Weight, pounds (kg.): 5.8 (2.6)

Certification: CSA NRTL/C

US Patent: 5,535,642

Finish: Polished, hardened chrome case with your choice of blue or black top tread pad.
