

# THE SSC CONTROLS COMPANY

THE FOOT SWITCH EXPERTS®

## Product Information Sheet

### G-Series Foot Switch – Carrier Base Option

#### Design features:

- Available as an option for all standard G-Series models.
- Add "-CB" to end of any G-Series model number (or order as "-CB Option" to order separately).
- Provides a handle for easy transport of the unit without bending over (handle is removable).
- Allows routing of cable out of back or sides to add protection of the cable from excess bending.
- Four bumper feet are included (removable if needed).
- Will increase height of pedal lever by 3/4" to raise above floor mats, etc., if needed.

#### Quality features:

- Designed and manufactured under a quality system certified to ISO 9001 requirements.
- Includes a 1-year warranty on parts and labor.
- Made in USA.

Dimensions (L x W x H): 11.7" x 6.7" x 25" (handle)

Weight: 7.1 pounds (with handle and foot switch)

Finish: powder paint, flat black

**Warning:** To avoid personal injury, do not use foot switches on machinery lacking effective point-of-operation safeguards. Disconnect input power before installation or maintenance.

Includes bumper feet on base.	Route cable out of back...	Or route cable out of sides.

Note: Cable shown for reference only; cable is not included with G-Series foot switches.
